***** NCA Dog Aggression Policy *****

Any dog that, in the opinion of the Event Committee, attacks a person or a dog at an NCA working event, resulting in an injury, or is believed by that Event Committee to present a hazard to persons or other dogs, shall be disqualified. When the Event Committee pursuant to this section disqualifies the dog, a report shall be filed with the NCA Board. The disqualified dog may not again compete at any NCA working event, nor be on the grounds of an NCA working event unless and until, following application for reinstatement by the owner to the NCA Board, the owner receives official notification in writing from the NCA Board that the dog's eligibility has been reinstated.

Dogs In Vehicles

No closed vehicles are allowed with dogs in them. If your dog is in your vehicle, the dog must be confined to a crate with the windows and/or doors open. It is your responsibility to be sure your dog is safe, cool and has plenty of water.

General Information

Entry Fees and Policies: The entry fee is \$40.00 per dog. Complete the enclosed NCA Draft Test Entry Form for each dog entered. Note that a copy of the dog's AKC registration form must be included. The agreement must accompany the entry form. Make checks payable to the NewPenDel Newfoundland Club. **Send entries to: Pat Matthews, 16 Hillside Ave., Jamesburg, NJ, 08831 Entries will be accepted by USPS mail only.**

A lottery will be used to determine the entrants if the limit is exceeded by entries postmarked on the same day. An alternate list will be maintained by order of the postmarked date and a lottery used for postmarks that are the same date. If the number of entries exceeds the limit, those dogs not yet having passed the division entered will have priority over re-qualifying dogs.

Eligibility: This test is open only to purebred Newfoundland dogs of either sex that are at least 18 months of age on the date of the test. Dogs that have not previously passed a Division, Single or Team, have priority in acceptance in that division. Dogs that have passed may be entered for judging (re-qualification) if the entry limits have not been filled. Owners of dogs that pass the Single Division after the closing date but prior to the test may choose to change their entry to Team Division. Bitches in season will be tested after all other entrants have been judged each day. Other restrictions listed in the current NCA Draft Test Regulations also apply.

Regulations: All entrants are responsible for knowing and understanding the current NCA Draft Test Regulations. These may be downloaded from the NCA web site: <http://www.ncanewfs.org/>

Test Site

Brubaker Park is located on 90.2 acres; consisting of walking trails through wooded areas, wetlands, two streams stocked with hundreds of rainbow trout, and three ponds. The park amenities include playground areas, baseball diamonds, roller hockey rinks, soccer fields, archery ranges, and tennis & volleyball courts with lots of open space. There will be no formal practice. Brubaker Park is open to the public during daylight hours.

The surface for the DD/TDD test will be in a grassy area with natural obstacles. The distance freight haul course will include a short gravel path. Surfaces will include dirt, gravel, leaves and grass. There will be short inclines and declines on the course. Parts of the course may be alongside a pond, creek and playground area. Basic Control will be tested on a level, grassy area.

The maneuvering course as well as harnessing and hitching equipment will be located in a grassy area. The maneuvering area will utilize the spaced trees and natural and man-made obstacles to delineate the course.

Equipment

Each exhibitor is responsible for providing his or her own draft test equipment suitable for the site.

For the DDX freight exchange we will be using (1) case of Enviro-log containing (9) 5 lb. fire logs (weight is 30 lbs., the dimensions of the case are 8.5 inches high by 12.25 inches wide by 12 inches deep).

The DDX drag away article is a 4x4x6 ft. piece of lumbar with two eye bolts to hitch to.

Bitches in Season

Bitches in season will be allowed to compete after all the other entries. They should be crates in a designated area away from the official test area.

Dogs not being tested

Dogs not being tested at the time are not permitted in the official Draft Test Areas.

Un-entered Dogs must be kept quiet and away from the designated test area.

Course Familiarization

As specified in the Draft test Regulations, 90 minutes before the judging, handlers and dogs, except bitches in season, are allowed a 30 minutes period to familiarize themselves with the test area. Handlers may walk with their dogs on lead but not hitched to an apparatus. Handlers will not be permitted to walk the Maneuvering or distance freight courses after this time period.

Catalog Advertising

An ad in the draft test catalog is a great way of saying "Good Luck" to those who have trained all winter as well as supporting the breed we all love. Show off a new title, announce a litter, promote your services (need not be dog related), list your kennel or just include yourself or your dog on the Booster List. The catalog will be 8.5" x 11" vertical format. "Camera Ready" ads are preferred, but layout is available for \$5 additional. Photos should be clear and have enough contrast for scanning and black & white reproduction. Materials will be returned at the test or by including a SASE. Rates are:

Full Page	\$15 (includes 1 photo)
Half page	\$10 (no photo)

Please send ads to: Pat Matthews, 16 Hillside Ave, Jamesburg NJ, 08831; email epmatthews@comcast.net by April 3 2020 Make checks payable to NewPenDel Newfoundland Club. Include your name, address, telephone and email address with your materials.

Withdrawing Entries and Refunds:

To withdraw an entry, the entrant must notify the test secretary by telephone, e-mail, or U.S. mail. The secretary must confirm receipt of such notifications. The entrant will receive a full refund of the entry fee if the notification is received prior to the closing date for entries. After the closing date has passed, no refunds will be given, even if an alternate was tested in their place, with the exception of alternates that did not get into the test. In addition, an entrant with one dog in the test and another on the alternate list may not substitute one dog for the other. If the entrant must pull the entered dog, then the first dog on the alternate list will fill the opening.

Alternates and Refunds:

If an entrant submits an entry to a draft or water test but is not assigned a place in the test, the test secretary must notify the entrant immediately after the closing date and give the entrant the option to be placed on the alternate list. If the entrant prefers not to be on the alternate list, he or she will receive a full refund. If the entrant chooses to stay on the alternate list and pulls their entry at a later date they will not receive a refund. Once the closing date listed in the premium has passed, if an entrant notifies the secretary that they are withdrawing their entry or have passed at a previous test, all entrants on the alternate list must be notified that their ranks have changed. If a space does not become available for an alternate on or before the day of the test, the alternate will receive a full refund Example: If a test limit is 25 dogs and 25 dogs are tested, but none of the five dogs that were on an alternate list were tested, the five alternates would receive refunds after the test. If 20 original dogs and three alternates were tested, but two alternates did not attend the test, the handlers of those two alternates would not receive refunds because had they attended, they would have been tested. If an entrant has been assigned a spot in the test but their dog passes at a previous test, the handler must notify the test secretary by 6 pm the night before the test as to whether they will move their entry to another division (i.e., WD to WRD or WRD to WRDX), withdraw from the test, or requalify in the same division if the test is not full. If the test is full they have the option of being moved to the end of the alternate list to requalify
